AUTOGRAPH LETTERS AND MANUSCRIPTS.

ABBREVIATIONS: A.L.S.=Autograph Letter Signed, one entirely in the handwriting of the signer. L.S.=Letter Signed, the signature only being in the handwriting of the sender.

VALUABLE MANUSCRIPTS RELATING TO NAPOLEON.

- 749 GOURGAUD (Gen. Gaspard, Baron) MANUSCRIPTS RESPECTING NAPOLEON I., IN HIS AUTOGRAPH, and as fully described below £50

The ORIGINAL MANUSCRIPT of a PORTION of NAPOLEON'S OWN MEMOIRS dictated to GEN. GOURGAUD at ST. HELENA, 11 pp. folio.

The Manuscript describes Napoleon's arrival in France from Egypt and the establishing of the 'Consuls Provisoires.' There is no doubt that this is the original draft, and that additions and alterations were made in a final MS. which was printed in Vol. 1 of Gourgaud's portion of "Mémoires pour servir à l'Histoire de France sous Napoléon."

COPIES of THREE LETTERS in GOURGAUD'S autograph addressed by him to MARIE LOUISE, the EMPEROR of AUSTRIA and the EMPEROR of RUSSIA, dated from London in 1818, respecting the condition and treatment of NAPOLEON at ST. HELENA.

Frederic Masson has expressed his doubts whether these letters were ever sent.

COPIES of FOUR LETTERS in GOURGAUD'S autograph, addressed by him to PRINCE EUGÈNE DE BEAUHARNAIS, representing how faithful he had been to Napoleon, asking for financial help, etc.

THREE LETTERS in GOURGAUD'S autograph written to his friend JOHN JACKSON, of Hamburg; also Letters from JACKSON'S brother (from whom these Manuscripts appear to have come), and others, respecting these documents, and with the suggestion that they should be presented to Napoleon III.

Map of part of France and Belgium, on 3 sheets, mounted and folded, and inscribed with GEN. GOURGAUD'S name. In JACKSON'S letter it is stated that this is the map actually used by NAPOLEON at WATERLOO.

Translation:—

"Rome, 24th October, 1829.

My dear Daughter,

I have seen with pleasure by your letter that you have returned safely to Florence. I beg you to give my compliments to Napoleon and to remember me to Julie and Louis. I learn with satisfaction that the health of Napoleon is restored.

I thank you for the news you give me of Joseph and young Jerome. I should be very glad that what you tell me of the latter might be confirmed.

The Cardinal is better, but his Convalescence is not yet complete.

My health is fairly good. I kiss you with all the tenderness of a good mother.
 Madame.

P.S.—Lucien left this morning for Canino. The Cardinal sends you his affectionate greetings. Do not forget to give my love to Zenaïde."
